

# Grand Award Judges' Parking Guide and Maps

## Colorado Science & Engineering Fair (CSEF)

### April 5, 2018

**FREE Off-Campus Parking and Shuttle to Campus:** Due to the limited amount of on-campus parking and the increased cost of a visitor parking permit, CSEF has arranged for off-campus parking and a **free shuttle** to take people to/from the Lory Student Center (LSC) on **Thursday, April 5<sup>th</sup> ONLY**. Free parking will be guaranteed at the **CSU Equine Center on Overland Trail from 7 a.m. - 6:30 p.m.**

**DROP OFF & PICK UP:** The CSEF Shuttle Buses from the Equine Center will be dropping people off in front of the Administration Building on the Oval and NOT at the Transit Center. The Administration Building is located East of the Lory Student Center. To reach the student center, you will take Isotope Drive (between Wagar and Statistics buildings) West, past the Engineering Building (if the weather is bad, you can enter the Engineering building and walk inside all the way to the student center) to the Lory Student Center.

**TO THE THEATER:** The theater is on the main (2<sup>nd</sup>) floor and the best entrance is the main doors kind of in the middle of the building on the East side. Once inside, take the main hallway to the left (it is past the Information Desk) then the theater is on the branch off to the right.

For those of you coming from off-campus locations, there is construction going on throughout the CSU campus. Please make sure that you allow plenty of time to get to the Equine Center or LSC and check parking maps on the CSU web site before you come, for updates. For a map of the whole campus, please go to <http://ptsdata.colostate.edu/maps/mapside.pdf>.

As long as there are no unexpected road closures, you can follow these directions to reach the Equine Center on Overland Trail:

**From I-25 South & North of Fort Collins:** Take Exit 268 (Prospect Road) west to Overland Trail. Turn North (right) onto Overland Trail to just past Elizabeth Street. The Equine Center will be to the West (left) immediately after Elizabeth. **Please use the North entrance gate between 7 a.m. and 12 noon and park in the north side of the parking lot so as not to interfere with rodeo traffic that is also arriving on Thursday.**

**Grand Award Judges:** CSU shuttle buses will run between the Equine Center and the LSC Transit Center on **Thursday between 7 a.m. and 6:30 p.m. roughly every half hour** (please note that only ONE bus will run between 11 a.m. and 5 p.m.). When you arrive at the LSC, the **Grand Award Judges' Check-In** is **inside the LSC Theater** (see attached 200 level map).

**Category Team Captains:** **DO NOT use the Shuttle Service!** For all non-CSU faculty and students serving as a Grand Award Judge Team Captain, you have been provided a one-time campus parking permit since you will need to stay until ~8:30 p.m. We suggest you use the Library parking lot (#425 - see attached map/directions), as you will be arriving earlier than everyone else.

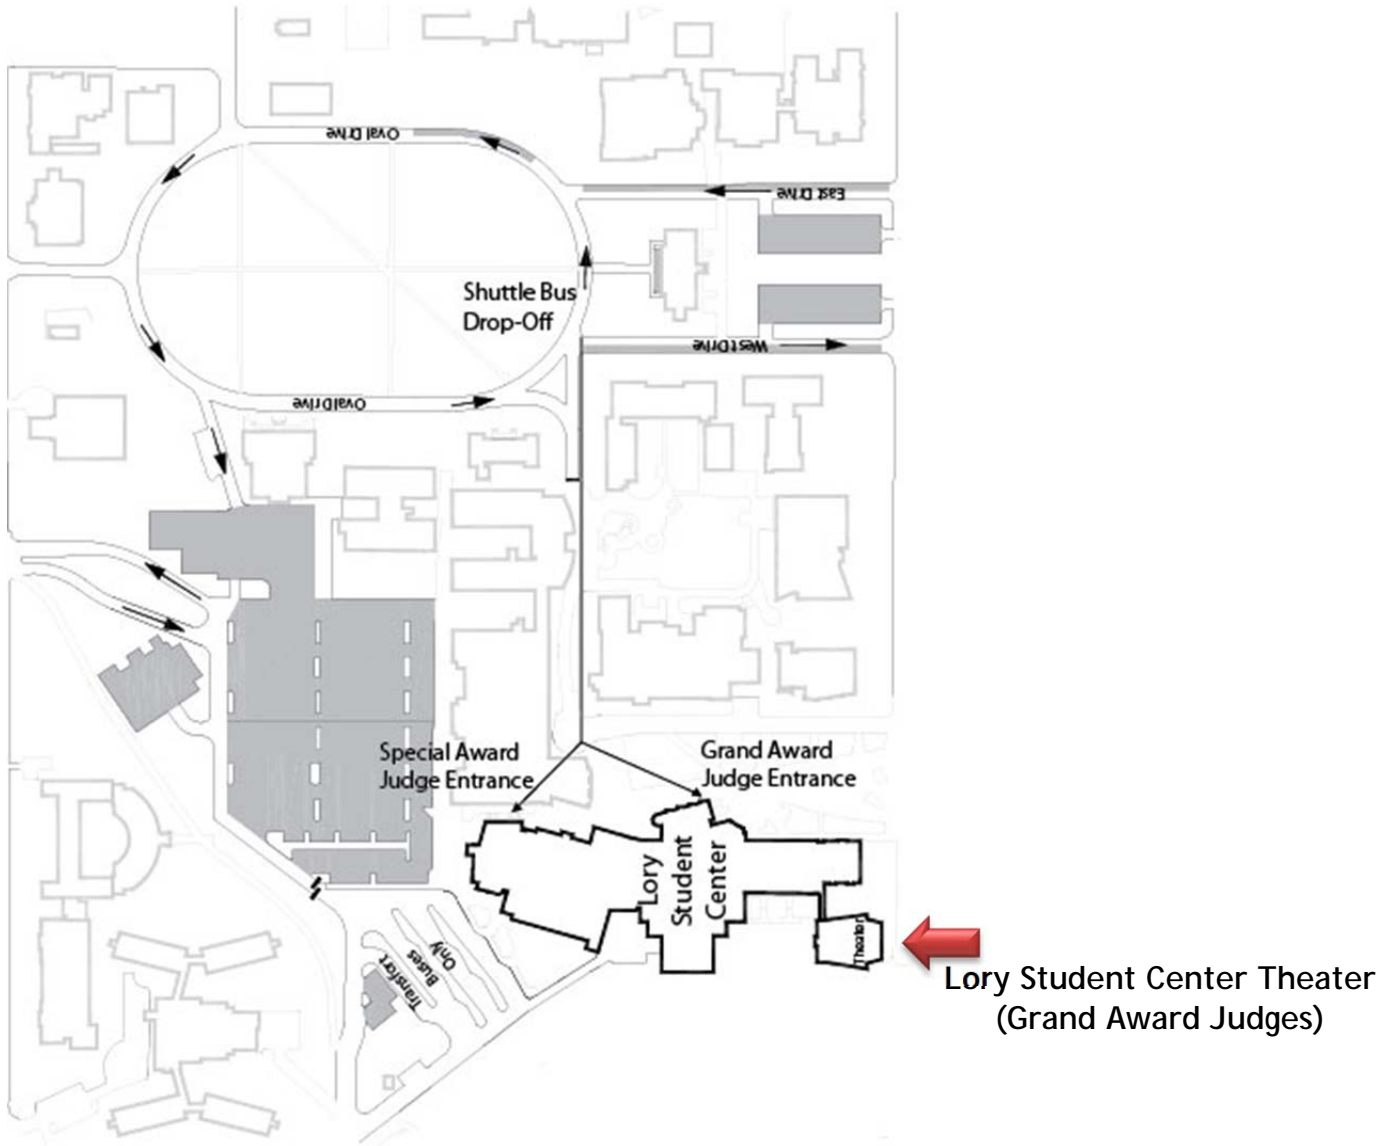

**Category Assistant Team Captains:** Please remember to allow plenty of time for parking and taking the shuttle to campus in order to attend the 9:15 a.m. Captain/Assistant Captains' Briefing.

On-Campus Parking Options: For those who want or need to park on campus Thursday for judging or who are visiting campus to take part of CSEF activities on Friday, you will be on your own for parking.

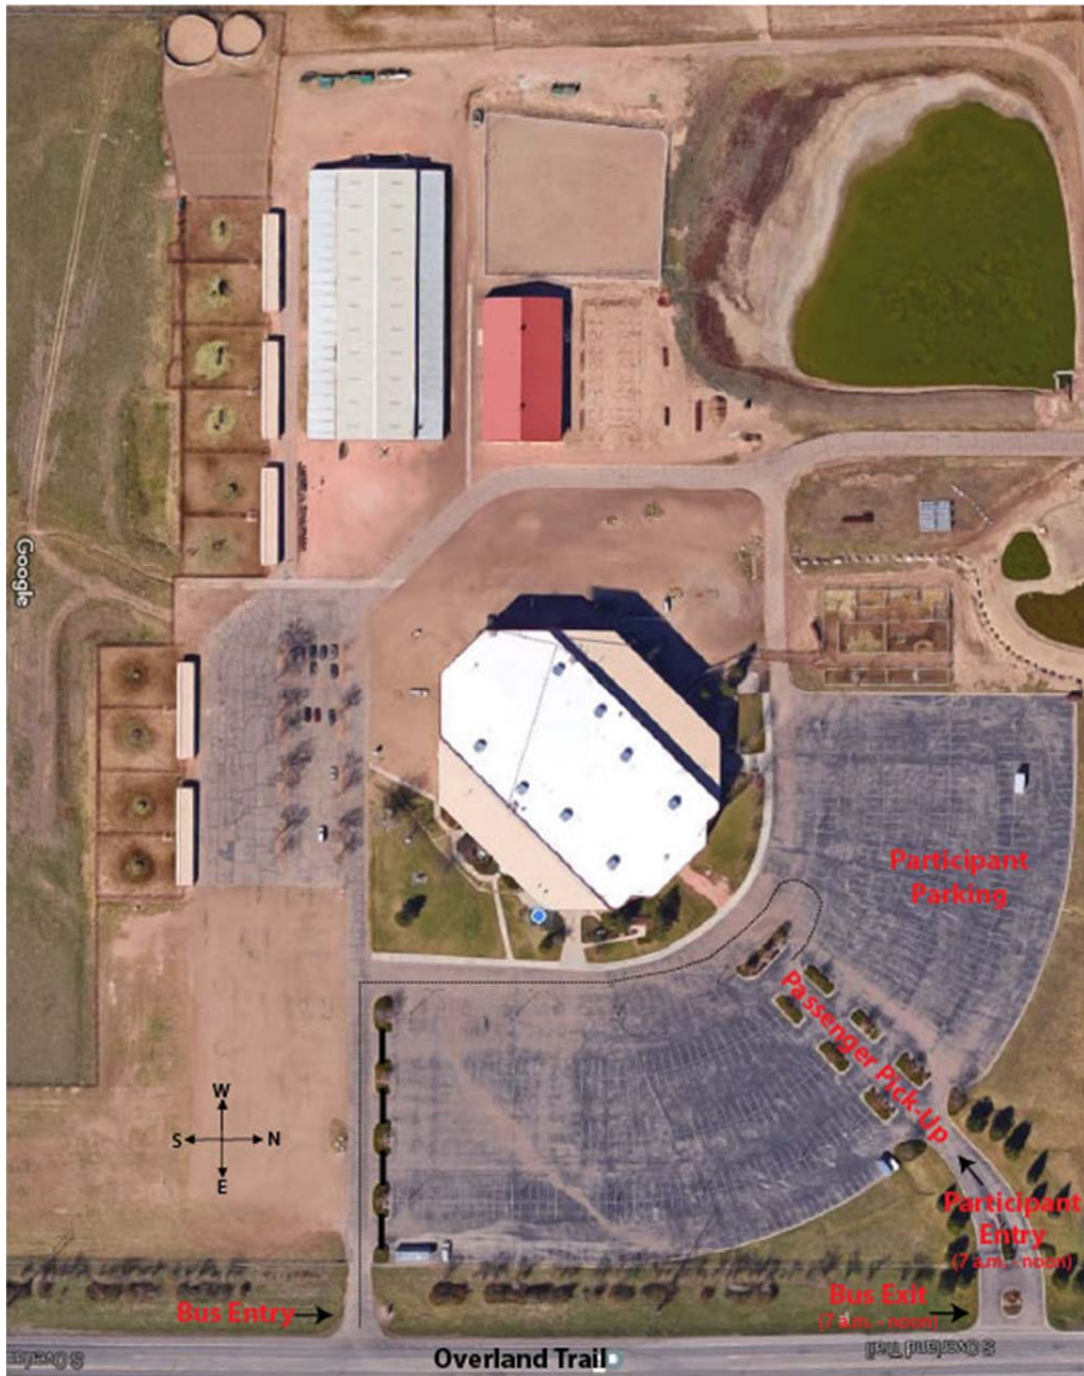

- Daily parking permits may be purchased from Parking Services in the Lake & Center Parking Garage (see above link for a detailed map). The cost is **\$12/day**. You must have your vehicle's make, model, year, and license plate number when you purchase a permit.
- Most lots have hourly metered parking spots during permit hours (most lots are enforced 7:30 a.m. to 4 p.m. daily). **Meter costs are \$1.75/hour and machines only accept credit cards for payment.** Check the signs posted in each lot for enforcement times; some lots have extended enforcement hours. The lots that have time limits of up to 8 ½ hours include #195 (Moby), #310 (Engineering), #425 (Morgan Library), #570 (Lake Street Garage), #577 (South College Garage), #725 (Vet Teaching Hospital) & #740 (Tennis Pavilion).
- The parking lots that are closest to the LSC (but fill up fast!) are Lot #310 (Engineering) and Lot #425 (Morgan Library).
- \*\*\*NEW for 2018\*\*\* **ALL** vehicles, even those with state or federal plates require a parking permit.
- Parking for people with a valid handicapped permit may park in any of the marked handicapped stalls, but must have a CSU parking permit or pay the meters, if applicable.
- CARPOOL!! CARPOOL!!
- Around the Horn is a free-on-campus shuttle that connects to most visitor parking lots with a bus that loops campus every 10 minutes from 7 a.m. to 6:40 p.m. Monday through Friday. ([www.ridetransfort.com/img/site\\_specific/uploads/HORN.pdf](http://www.ridetransfort.com/img/site_specific/uploads/HORN.pdf))
- The parking lots that have visitor parking available and are connected to Around the Horn are: Lot #195 (Moby); Lot #440 (University Station); Lot #570 (Lake Street Garage); Lot #725 (Vet Teaching Hospital); and Lot #740 (Tennis Pavilion).
- BE AWARE that even if you purchase a parking permit, CSU does not guarantee a parking space.

CSEF is **NOT** responsible for parking citations issued by CSU to CSEF finalists, their parents, teachers or any of the judges and volunteers. Parking information and costs provided herein are subject to change by CSU at any time, so please read and follow the instructions on posted signs in the CSU parking lots.
